Survey Results

Thank you all for taking time to complete our end of year survey. Your input will help us as we plan the 2015 season. Preliminary results indicate that members want more spinach, cucumbers, broccoli, kale, carrots and potatoes. We are also learning that you want fewer turnips and beets. Good news for us—the majority of you are interested in returning next season!!

Work Shares

Are you interested in a work share for the 2015 season? All Work Shares receive a Full Share, which is 24 weeks of produce in exchange for 100 hours of on-farm work.

The work consists of everything from weeding and planting to harvesting and special projects. The selection process will be based on your availability, willingness, and need. This is a great way to truly get connected to your farm. For questions or a Work Share Application, please contact Lilley at 610-558-6799 or mlilley@osfphila.org.

“If you concentrate on finding whatever is good in every situation, you will discover that your life will suddenly be filled with gratitude, a feeling that nurtures the soul.”
